

The background of the slide is a close-up, slightly blurred photograph of several credit cards. One card prominently displays the word "Gold" in a large, bold, black font, with "Credit" written above it in a smaller font. Below the "Gold" card, another card with a red and yellow design is partially visible. In the bottom right corner, a portion of a black calculator is visible, showing some buttons and the word "calculator" in white. The overall color palette is warm, dominated by the gold and yellow tones of the cards.

# Credit Card Spending Analysis Project

by  
Sohan Suresh

In this project, I will be analyse my credit card spending throughout the year.

# Credit Card Spending Analysis
